### Grouse hunting over pointers are bird hunting Formula 1!

With our concept, "Heli-hunting", you may enjoy the best of both worlds. The days spent on the beautiful autumn mountain and evenings and nights spent in the comfortable lodge with access to good wines, good food, sauna and hot tub.

3 full days of hunting, 5 night lodging, sauna, food and socializing at our comfortable lodge. The roadless area above the tree line offers a unique wilderness environment located in the heart of Swedish Lapland and ensures an unforgettable hunting experience in a magnificent landscape.

5 nights, 3 full hunting days, 1:3 guide service, full board in single room at or lodge, helicopter to hunting ground every day, all transfers from arriving at airport until departure from airport.

Price: 19 500:- SEK (min 2 hunters)

Extra hunting day as above: 7000:- SEK

#### Willow Grouse:

The **Swedish population** has been estimated at between 100 000 and 400 000 pairs. This represents a fall population of between **450 000 and 1 750 000** of **willow grouse**.

#### The ptarmigan:

The **Swedish population** has been estimated at between 40 000 and 80 000 pairs, representing a fall population of **175 000-350 000 birds**.
